

DO YOU HAVE LAND YOU WISH TO BE CONSIDERED FOR HOUSING OR EMPLOYMENT USE?

We are inviting those who own land within the Parish to come forward if they believe there is the potential for housing or commercial development on their land. This 'Call for Sites' is the beginning of a process that we hope may enable us to make provision for housing in our Neighbourhood Plan meet our current allocation of 50. Please note that submitting details of a particular site is not a guarantee that the Parish Council will support that site for development since all sites submitted will be subject to our assessment protocol.

We would welcome any applications. Please visit the [Boxgrove Parish Council website](#) to download a form.
