

## Get free Energy Advice

Take control of your utility bills and start saving money.

Call **01135 184 070** to get started.

# Simple ways to save money on your bills.

## 1°C can save you money

Save an average of **£80** by turning your thermostat down by 1°C.

## Turn it off

Be **£55** better off each year by switching off appliances and electronics you are not using.

## Choose drying your clothes naturally

Save **£60** a year by drying your clothes on a line rather than tumble drying.

## Save money through your lights

Change to LED lightbulbs and start saving money as they use **80% less** energy.

## It starts with your boiler

Reduce your boiler flow temperature to 55-60°C and save **£65** a year.

## Only use what you need

Save up to **£60** a year when you only boil the amount of water you need.

## Spot it, fix it

Fix your leaking toilet and save up to **£480** a year on your water bills.

## Turn it off and save

Turn off the tap when brushing your teeth and save **£30-£100** a year.

## Don't let money run down the drain

Reduce your shower length by 2 minutes and save up to **£210** a year (based on a family of 4).

## Save the smart way

Save an average of **£70** a year by controlling your energy usage with a smart meter.

## This service is funded by our partner UK Power Networks.

UK Power Networks owns and runs the cables and substations which deliver electricity from the national grid to 8.5 million homes and businesses across London, the South East and East of England, serving approximately 20 million people.

**Through this partnership, our Energy Advice service will help you to:**

- Make your money go further
- Switch to better tariffs
- Make your home more energy-efficient
- Save money on your energy bills
- Understand the benefits of a smart meter
- Stay safe from scams
- Take control of your debts
- Find the best grants
- Save money on your water bills
- Get ready for winter
- Join the Priority Service Register if you feel vulnerable or care for someone who is vulnerable.

**We can also find grants and schemes that will help with the cost of living, bills, and emergency costs.**
